Event Headquarters: Open from 8-00 am Falfield Village Hall (GL12 8DH) on west side of A38, 100 yards south of junction with B4509 (J14 M5). The start is 1.5 miles north of the HQ on the A38.

Time of start: Note that first rider is off at 9:22 am. This has been brought forward because of the higher than expected number of entries in the Severn Road Club events.

SWTA Committee meeting starts at 12.00 noon. Our guests from other regions are welcome to continue sampling the cakes.

Parking

There is limited parking at the hall. We have permission to use the Huntsman Inn car park. Remember local residents if using one of the side roads. Please also avoid parking directly in front of the church or on the surrounding pavements. The Parish Council has specifically requested that riders do not park on the grass verges outside the hall. Please respect their wishes otherwise we could lose the venue for future events.

Numbers and signing on sheet: at event headquarters. We will use the SRC numbers.

U17 Course: Start at the north end of the bus stop at Woodford (GR 690958). Safety

Please keep your head up for a safe ride.

Helmets: Cycling Time Trials strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard.

Light(s): It is recommended that working rear light(s), either flashing or constant, is fitted to the trike in a position visible to following road users and is active whilst the machine is in use.

The police have requested that inconvenience to the public and other road users be kept to a minimum.

Riders are asked to take great care and, in particular, note the following points:

- You will be passed by some quite quick two-up riders. Don't pull out without being aware of what is coming up.
- To avoid congestion at the start please queue in single file.
- Please do not make 'U' turns at either the start or finish.
- Please avoid making any other unnecessary 'U' turns on the A38 and adjoining roads.
- Please be considerate to other road users including horses and riders.
- Please take extra care when rejoining the A38 as some riders may still be on the earlier part of the course.
- Please take care at all the roundabouts and junctions. In particular, riders are asked to note that the road narrows on the A38 northbound (immediately after the Berkeley Road junction) and also on the approach to the car auctions (about ½ mile north of the Berkeley Road junction). Riders should also be aware of traffic turning into the car auctions premises.
- Please be aware of the surroundings and other road users at the finish.
- With the condition of many roads across the country a concern, please be extra careful.
